Question 6

You cannot go to the rugby training tomorrow.

Write a note to your coach. In your note, you should

- apologise to your coach
- explain why you can't play.
- ask about the next date of the training

Write about **35-45 words** on your answer sheet.

Dear Mr Spencer,

I'm very sorry, but I won't be able to attend the training tomorrow. As you know, I got injured a couple of weeks ago and my knee still hurts. The doctor recommended me to stay at home. When does the next training take place?

Best regards

Write an answer to one of the questions (7 or 8) in this part.

Write your answer in about **100 words** on your answer sheet.

Mark the question number in the box at the top of your answer sheet.

Question 7

Dear Brian,

Of course, I will try to help you! Great Britain has another currency than the rest of the European Union. Most of the countries of the Union have the Euro as a currency. Britain decided to keep the British pound. It remains a very controversial issue, not only because of economical issues but also because the pound sterling is part of the British identity. No one knows what will happen in the future. The British pound is a very strong currency. The exchange rate is about £1 = EUR 1,16.

I hope this information will help!

Question 8

- Your french teacher wants you to write a short story.

- Your story must begin with the sentence :

After a two hour walk through Cardiff, we were lost and stopped in a pub. Everybody was speaking welsh and we couldn't understand a word.

- Write your story in about 100 words.

After a two hour walk through Cardiff, we were lost and stopped in a pub. Everybody was speaking Welsh and we couldn't understand a word. We stayed next to the door and didn't dare getting in. It was a strange feeling. Nobody noticed that we came in and everybody was speaking Welsh. We couldn't hear a word of English. Then, the bar keeper saw us and all people suddenly looked at us, as if we were coming from another planet! Anyway, he asked us "how may I help you?". It was English! We were so happy to hear this language! We asked him the way to our youth hostel. He explained it in English and we could find it again without any problem. He even offered us a drink!
